One table, ready for market.

A cut-and-place plan for a 72 × 30 inch table.

01 Set out the table

Each grid square is 6 inches on your table. Stand on the aisle side to test it.

CUSTOMER AISLE

Scale 1 : 12

02 Cut out your fixtures

Cut the solid borders. Move each piece until you can reach, pay and pack.
For your own rack, divide its width and depth by 12 and cut a new piece.

Print rack
24 × 12 in

Try-on tray
15 × 10 in

Pay + wrap
17 × 23 in

Print at 100% / Actual size.
Check this line with a ruler.

1 in / 25.4 mm
